Mr. Steven Dunn  
NSR Team Leader  
Wisconsin Department of Natural Resources  
Bureau of Air Management  
101 S. Webster Street  
Madison, Wisconsin 53707- 7921

**SUBJECT:** Air pollution control construction permit application for We Energies' Biomass Energy Project.

Dear Mr. Dunn:

Wisconsin Electric Power Company (d.b.a. We Energies), is submitting an air pollution control construction permit application for the We Energies' Biomass Energy Project, attached with this letter are three copies of application. This Project will be a 50 megawatt (MW), biomass-fired cogeneration facility to be located at the Domtar - Mill in Rothschild, Marathon County. Included with this application is a compact disc with the permit application in electronic format, as well as the dispersion modeling analysis input and output files. A check in the amount of \$1,350 for the application fee is also attached as required under NR 410.03(1)(a)5., Wis. Adm. Code. We Energies respectfully request the Department's expedited review of this construction permit application.

---

Thank you for meeting with us to answer questions as we developed this permit application. We look forward to working with you in the development of the air pollution control permit for this Project. If you have any questions, please call me at (414) 221-2293.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Coughlin', written over a horizontal line.
